Hey Mike,

The reservists went out yesterday and there is no change. Attached are the pictures they took.
We plan on going out each Tuesday and Thursday going forward.

Very Respectfully,

Sean-

Was there anything significant of note by the weekend visit of the USCG to arcelor mittal Indiana harbor?
Is anyone going out early this week? I'm on response, so I'm not allowed to leave the office if it is not a response.
